**MEMORANDUM FOR BASE PERSONNEL**

**FROM 190 ARW/CC**

**SUBJECT: Environmental Management System - Environmental Policy Statement, revised**

**ENVIRONMENTAL POLICY STATEMENT  
FOR THE  
190<sup>TH</sup> AIR REFUELING WING**

The 190<sup>TH</sup>'s primary mission in-flight refueling and providing ready, trained personnel capable of supporting the needs of the state and nation in times of emergency or operational necessity. We are committed to continued excellence, leadership, and stewardship in protecting the environment. Environmental protection is a primary responsibility of every employee and supplier involved with all aspects of our mission. Special emphasis will be placed on operations regarding aircraft, aerospace ground equipment, and facility maintenance. We will ensure that tenants and guests including the 73<sup>RD</sup> Civil Support Team and the Precision Measuring Equipment Laboratory are fully engaged in all our environmental efforts. In keeping with this policy, our vision is to reduce waste and prevent pollution through robust and proactive recycling and awareness programs, continually improve our environmental performance by minimizing our impact on the manmade and natural environment, and maintain compliance with all federal, state, and local environmental regulations at all times.

  
KEITH I. LANG, Colonel, KSANG
