## FUNDS NEEDED FOR LITTLE LEAGUE

Money is needed to support the Coyote Little League Softball Teams. If every member gives one quarter at lunch during the next four UTAs, the unit can support three teams this coming season. There is still the opportunity to join the "Honorary Pups" Club by donating \$10.00 or more to the cause. This unit can help "our pups" learn teamwork by example, as well as experience!

Guard members could rub off and bring others into the unit!

## TSGT BOGGS RETIRES

More than a quarter of a century of military service ended last month with the retirement of TSgt Mervin C Boggs.

A native of Chanute, Kansas, Sergeant Boggs of the Life Support Section had been a member of the Air National Guard, and a full-time technician here since 1967. A qualified parachute rigger and life support technician, Sergeant Boggs began his military career during World War II, in the Army Air Corps. He was discharged a few months after the war after being stationed in Japan and the Philippines. In 1954 Sergeant Boggs entered the Army National Guard at Chanute. A year and a half later he switched to the Air National Guard in Hutchinson, where he lived until coming to Forbes in 1967.

Sergeant Boggs and his wife Alta have three children, all of whom are married. As for retirement plans, Sergeant Boggs was unsure. "I'd like to live in the country, and I'll probably stay in eastern Kansas," he said. He added, "I'm leaving a lot of friends, and I'll be happy to see them any time they want to stop by."

Guardsmen in the 190th have done some recruiting at home! As a result, the unit has 10 father, son and father, daughter combinations. The teams grew during the January UTA when Mike Parsel, son of recruiter SMSgt Gus Parsel, joined the unit. TSgt Elmer May and son A1C Jon May are not included in this pictorial feature. SGT Chris Vleisides and SSgt Alfred Scott were the photographers.

## EDITORIALS

Recruiting and retention are two very talked about words in the Air Guard today, and especially in the 190th. Recruiting without retention is an empty gesture; they cannot be separated.

However, we sometimes find ourselves talking to those who are already enjoying the benefits of Air Guard membership and not talking to our friends and neighbors who may not know they could be Air Guard members too. Sometimes talk is not enough, especially in the society of today which has so many demands

her way to remain in the ANG. Most of the time the friendly, open, and caring actions of our friends cause us to want to remain in their circle. These actions carried out everyday we wear the uniform can and will go a long way in making those we come in contact with want to remain in the Air Guard.

This month's Log has an insert showing most of the vacancies we have in the 190th. On the reverse are a few of the advantages of the Air Guard. Put it to good use if you will by telling someone you know about your Air Guard membership and passing it on.

If everyone of us will, in the next six months, influence one person to stay in the 190th or enlist, we will have done a fine thing for our Nation on its 200th birthday.

By CMSgt Don D. Teal

At last month's NCO Council Meeting, the discussion was centered on retention and recruitment. The men at the Top are telling us that the future of our unit is in our hands.

One of the problems discussed was the lack of social contact with other Guard personnel. The Council discussed with enthusiasm, the need for a club to which persons would be attracted during the UTA evenings. It was felt that a club could offer a bar, a live band, pool and ping pong - all at low rates.

A place to gather would aid retention. But what about recruitment?

## INFO STAFF OF TWO PUBLISH CANBERRA

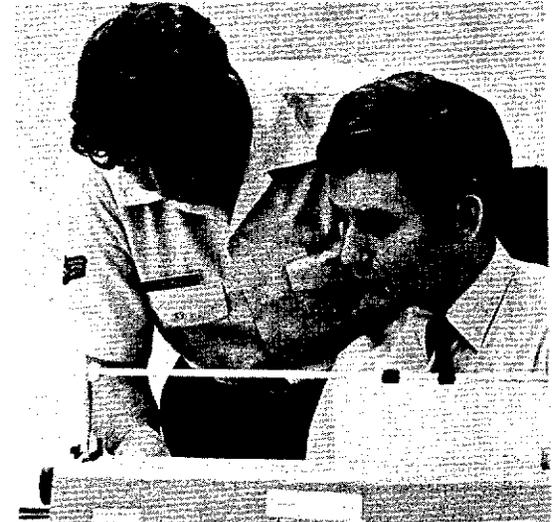

Keeping the personnel of the 190th DSEG informed, is the Canberra Log staff-- Sgt Don Thomas and A1C Dan McGinley.

Sergeant Thomas is a resident of Lansing, KS. He works as an illustrator at Ft. Leavenworth, creating visual aids that include maps, graphs, posters, exhibits and displays. Sergeant Thomas also does the artwork for the Log. Most recently he designed the new heading for the Log, in the spirit of the Bicentennial. When not at work in the Guard or at Ft. Leavenworth, Sergeant Thomas works part time for the Lansing Police Department, and also plays the drums in a local band.

Receiving a Bachelor of Fine Arts degree in 1962 from Kansas City Art Institute, Sergeant Thomas remained in Kansas City as a commercial artist until he moved to Lansing in 1965. He joined the 190th in January, 1973, and has been on the staff of the Log since last summer when he cross-trained from the communication field. He and his wife Glenda, have a six-month old daughter, Heather.

A1C McGinley from Air Force

The newest member of the Canberra Log staff is A1C Dan McGinley. Airman McGinley joined the 190th in October of last year, when he was separated from active duty. While on active duty he was stationed at Tinker AFB, Okla., and worked as an information specialist. Prior to joining the Air Force in April 1971, Amn

Sgt Don Thomas (L) and A1C Dan McGinley work on Canberra Log.

## OFFICER RATING REVISION SUCCESS

SMSGt William Burnham reports that statistics on the new Officer Effectiveness Report (OER) are favorable. Figures show that the form more accurately recognizes the truly outstanding officers. Sergeant Burnham indicated that this was the major reason for the new system.

Air Force officials caution all evaluators to devote more attention to documentation of ratees' performances. Ratings given above or below the "Meets Standard" category, must be substantiated with specific examples. Sergeant

HERE ARE A FEW TIPS ON GETTING A GOOD PART TIME JOB:

Be sure your part-time employer can meet the following conditions

You should receive at least \$900.00 per year to start.

You should be told months in advance the dates and time you will work for this part-time employer.

You should work only one weekend per month, and two weeks each summer, and he should buy all your meals during work periods.

You should receive two days pay (double time) for each day you work on the weekend.

You should be paid at an average hourly rate of no less than \$3.20 base pay to start.

You should receive regular promotions with pay raises for your length of employment.

Your part-time job must not interfere with another full-time job or your civilian education.

You should receive additional education at the expense of your part-time employer, that will aid you in civilian life.

You should be given \$225.00 worth of clothing for wear during the period you work on your part-time job, as it wears out he should replace it at no expense to you.

You should be covered by \$20,000 worth of life insurance full time.

You should receive a retirement plan that will assure you a check each month after twenty years of part-time employment, at the age of sixty.

Now, if your "would be" part-time employer cannot meet all of the above requirements:

## PISTOL TEAM IN REGIONAL MATCHES

The 190th DSEG Pistol team will compete at the 5th Army Regional Pistol Matches 14-16 April, at Ft. Riley, Kansas. CMSgt Don Teal indicated that as the current State pistol champions the team will be representing the Kansas National Guard. Sergeant Teal explained, "The State is actually part of the 6th Army Region headquartered in California. Because of the proximity of the 5th Region's matches, we will compete at Ft. Riley, however."

MSgt James Goetz, MSgt Maurice Smith, TSgt Dave Fogelberg, SSgt Dan Hubert, SSgt Bill Higgs, SSgt Gonzalo Ramirez, and Sgt Bruce Faust were responsible for winning the '75 State Championship. Because a team of only six can compete at Ft. Riley, internal competition will be held to determine who will participate.

SSgt William Higgs has been invited to attend matches in Knoxville, Tennessee, 27-28 March. There, the National Individual 22 Caliber Guard Pistol Champion will be determined. Sergeant Higgs score in the National Guard Bureau Indoor Pistol Championship Match qualified him as one of the top marksmen in the Guard.
